Er A N Misra delivering his presentation

A view of audience

The Institution of Engineers (India), Durgapur Local Centre observed 48th National Safety Day on 4th March 2019. Honorary Secretary, Mr. M K Biswal, welcomed the gathering and Speaker of the Evening. Mr. Biswal briefed about the "National Safety Council "and its activities in safety promotion. He addressed the house regarding the need of safety awareness and it's observance in our day today life.

In this programme Film Show on 'Safety' was screened.

A Lecture meeting was arranged, where the speaker of the evening was Er Atindra Nath Misra, Coordinator, National Institute of Fire and Safety Engineering (Nagpur), Regional Center and Ex Safety Official -SAIL, Durgapur Steel Plant. He presented his lecture 'Behavior Based Safety (BBS)'.

Er. Mishra presented on following areas with Video and shared his professional experiences among the gathering.

- Behaviour Vs. Attitude and Betari Box Model
- Unsafe Act And Objectives Of Behaviour
- Why Focus on Behaviour?
- Types of At Risk Behavior
- Four Critical Errors that can lead to Increased Risk (EYES NOT ON TASK, MIND NOT ON TASK, LINE-OF-FIRE,BALANCE/TRACTION/GRIP).
- Four Key Components to BBS Programs

He covered many more aspects of BBS and concluded with target for zero accident by focusing on 'zero unsafe behaviour', which is the root cause of any incident by involving all management, employees and contractors' workforce in BBS approach.

Vote of thanks was given by Honorary Secretary, Mr M K Biswal after a question and answer session.
